

CUBS SUPERSTAR MATH

A PTA SPONSORED PROGRAM

Avery Elementary School CUBS SUPERSTAR MATH is a supplemental math program for children that provides fun, yet challenging, math problems to help encourage thinking skills and reinforce classroom math lessons. This is a VOLUNTARY program that is open to 5th grade students.

Students earn points for each completed worksheet. A perfect score on each of the 16 sheets will earn the student 315 points. In addition, there is a chance to earn an extra five points for completing a survey at the end of the program (for a possible total of 320 points). Students earning at least 270 points will receive one of three CUBS SUPERSTAR MATH medals at the end-of-year school Awards Assembly. There will also be incentives awarded throughout the year when students earn the following point totals:

150 Pts	Personal STAR on the Wall	285 Pts	Shining Star Silver Medal*
225 Pts	CSM Wristband	300 Pts	Superstar Gold Medal*
270 Pts	Star Bronze Medal*	310 Pts	Lunch with the Principal

*Students will receive one medal (highest earned)

In addition, each 9 weeks, selected participating students will receive a free restaurant coupon from PTA and School Administration.

Distribution of worksheets:

- The worksheets will be available online Monday each week on the Avery Elementary PTA website (<http://averypta.org/>) and
- A hard copy will be available in each 5th grade homeroom starting Monday and throughout the week.

Upon completion of the worksheets:

- The worksheet is to be placed into a special bin designated by your homeroom teacher within your classroom.
- Sheets may be turned in anytime during the week beginning on Monday morning at 7:45 a.m. until **Friday at 8:30 a.m.**
- PTA will pick up the math sheets on Friday and return them graded on Monday.
- **It is imperative that your child's name be on the sheet in order to receive proper credit.**

The worksheet due dates are as follows:

	Due		Due
Sheet #1	October 2 nd	Sheet #9	December 4 th
Sheet #2	October 9 th	Sheet #10	December 11 th
Sheet #3	October 16 th	Sheet #11	December 18 th
Sheet #4	October 23 rd	Sheet #12	January 15 th
Sheet #5	October 30 th	Sheet #13	January 29 th
Sheet #6	November 6 th	Sheet #14	February 5 th
Sheet #7	November 13 th	Sheet #15	February 12 th
Sheet #8	November 20 th	Sheet #16	February 26 th

As always, worksheets are to be completed by the student AT HOME. If the student does not read well, the problem may be read to them; however, **THE STUDENTS ARE TO WORK THE PROBLEMS INDEPENDENTLY**. Parents may explain the nature of the problem and demonstrate a **SIMILAR** problem, but the actual problem is to be **COMPLETED BY THE STUDENT**. Parents are also encouraged to review the worksheets for correctness upon the student's completion and allow the student the opportunity to rework any problems they may have incorrectly solved.

The scores will be distributed to each student and participation stars will be posted by the class on the CUBS SUPERSTAR MATH poster by the Monday following the Friday due date.

Participation in CUBS SUPERSTAR MATH does not require a permanent commitment. If for some reason your child is unable to complete each worksheet, he or she may stop and restart the program at any time. But please encourage them to restart the program; because even though CUBS SUPERSTAR MATH is educational, above all it is FUN! We believe this is a HUGE treat for the children to participate in this program and to possibly receive the end-of-year CUBS SUPERSTAR MATH medal or the top honor of lunch with Dr. Toop, Principal.

Please return the following authorization in your child's agenda by Friday, September 18th.

My child wants to participate in CUBS SUPERSTAR MATH

_____ I have thoroughly read the information outlining the program. I understand that
 Initial worksheets will not be accepted after 8:30 a.m. on the respective Friday due date.
