

Avery Room Moms,

Welcome back! We had a great year last year and we are already right on track for another super year. I want to thank all of you for stepping up to be Room Moms and filling a role that makes such a difference not only for your children but also for the teachers of Avery.

For those of you that do not already know me, my name is Amber Lyn Horwitz and I am going to be your contact this year. Please do not ever to hesitate to get in touch with me if you have a question or a comment. I have been a Room Mom (RM) for the past 7 years in several different types of schools and this is my third year as RM coordinator.

I would like to encourage you to involve as many parents as possible in your classroom this year. We have so many amazing parents at Avery, we need to make sure as many of them as possible get the opportunity to serve. With that said, please choose one point of contact for me to send all information to. This person will be responsible for disseminating PTA information out to the rest of the class.

Avery PTA is working hard to GO GREEN! All of our forms are now under the Room Mom tab for you to download. Also there is the PTA calendar of events. If you have trouble downloading or questions about any of the forms, please contact me.

We are going to be really sensitive this year about email sharing. Please make sure that when you send out emails to the class you blind copy everyone so that there is not a long list of emails attached, preserving the privacy of all the parents in your class. If you have questions about how to do this, please let me know.

I am really looking forward to getting to know each of you and working together to have a great year.

Amber Lyn
