

Let's Talk \$\$\$\$\$\$\$\$

General Information about payments:

The "Box Tops For Education" Program cuts checks twice a year, on December 15th and April 15th.

All submissions made between March 1 and October 31 are paid on the December 15th check.

All submissions made between November 1 and February 28 are paid on the April 15th check.

The totals noted on the Box Tops website may differ from our actual totals because the Box Tops program year goes from March to February. Since our school year goes from August to May, the Avery PTA website will always reflect our "true" total based on OUR school year.
