Volume: V Number: 2 September 2011

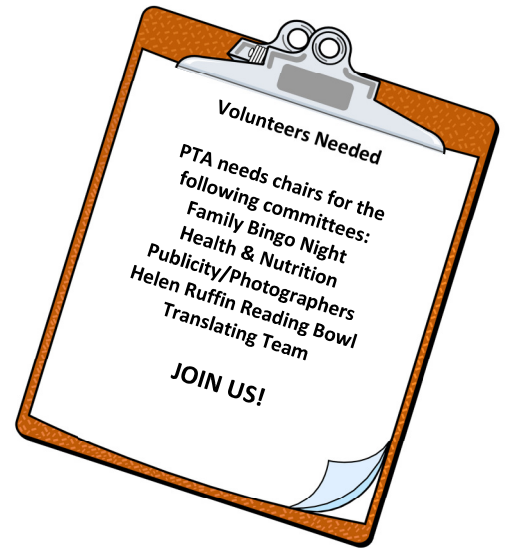

www.averypta.org

Thank you for a great start to the 2011-12 school year. We currently have an enrollment of approximately 1160 Avery Cubs. It was great to see many of you at our Curriculum nights. We look forward to having you volunteer during the school year. Please get involved, join PTA and volunteer in the classroom. Research has proven students with active and visible parents in the schools do better academically.

We look forward to seeing you soon!
